Dear Claire

I confirm receipt and thank you one again for the agreed quantity of your booklet:  
'ARE YOU ON DRUGS?'

Lemon Cherry Limited and its subsidiary companies work with vulnerable witnesses and people with identified additional needs of all ages. We also undertake training and screening programs specifically in relation to alcohol and drugs.

To many the area of substance misuse is unknown and a grey one at best. To those within its grasp, it is still an area of confusion and fear. To have your publication 'ARE YOU ON DRUGS' is perhaps one of the most advantageous pieces of equipment in all our undertakings. Not only is it graphically very clear the mere fact that 'street names' are utilised for many products together with the signs and symptoms makes it an invaluable tool to each recipient whatever their standing. We have yet to find any of our service users 'wanting' having viewed the 'ARE YOU ON DRUGS' publication either intently or by cursory examination.

ARE YOU ON DRUGS is a fantastic publication that stands very clearly above anything else available.

Congratulations to you all for maintaining and updating the content as efficiently as you do to ensure its continued validity.

Yours sincerely

Jonathan
